

| The Student Leadership Challenge* | | Leadership Experiences |
|---------------------------------------------------------------------------------------------------------------------|-------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Practices | Behaviors | |
|  Model the Way | Follow through on promises and commitments | <p>Each team member did his or her assigned task and was fully committed to the project. We all decided on a common idea and followed through and improved upon that idea.</p> |
| | Set a personal example through actions | |
| | Align others with principles and standards | |
| | Seek feedback about impact of actions | |
| | Make sure teammates support common values | |
| | Talk about values and principles | |
|  Inspire a Shared Vision | Look ahead and communicate future ideas | <p>We started the project with a positive attitude and an end goal. Spread the word about TSA to our peers and encouraged them to look into the world of technology.</p> |
| | Describe ideal capabilities | |
| | Talk about how future could be improved | |
| | Be upbeat and positive | |
| | Communicate purpose and meaning | |
| | Show others how their interests can be realized | |
|  Challenge the Process | Challenge current skills and abilities | <p>All team members learned how to use both frontend and backend web technologies such as HTML, CSS, Javascript, PHP, and MySQL. We also learned how to deploy our website with Microsoft Azure, a popular cloud computing service. Each team member learned new skills and helped each other to further his or her knowledge on Web Development and Design.</p> |
| | Break projects into smaller do-able portions | |
| | Search for innovative ways to improve | |
| | Ask “What can we learn?” | |
| | Take initiative in experimenting | |
| | Help others try out new ideas | |
|  Enable Others to Act | Foster cooperative relationships with others | <p>All team members worked together in a supportive environment where there was no negativity. Every team member's idea was never looked down upon and fully encouraged. All ideas were brought to the table during team meetings.</p> |
| | Actively listen to diverse viewpoints | |
| | Treat others with respect | |
| | Support the decisions other people make | |
| | Give people freedom and choice | |
| | Provide leadership opportunities for others | |
|  Encourage the Heart | Praise people | <p>Appreciated and recognized the hard work and dedication of our chapter advisor. Planned and organized an appreciation event for our chapter advisor with the other officers and members. We thanked other mentors that have guided us and mentioned them on our website. Displayed the projects of our chapter members on our website, aktsa.org.</p> |
| | Encourage others | |
| | Express appreciation for people's contributions | |
| | Publicly recognize alignment with values | |
| | Celebrate accomplishments | |
| | Creatively recognize people's contributions | |
